## Think BIG!

This home provides you with 1560 sq. ft. of open living space and it is set on an oversized lot within the community. Plenty of elbow room to accommodate your cherished belongings to enjoy every day of your retirement. This plan also hosts a split bedroom layout for added privacy, two separate closets in the master bedroom with mirrored sliding doors, a must-see Vegas style master bath and beautiful upgraded kitchen. If you prefer to spend your day outside, you'll have additional space on this home site for your patio table and chairs to enjoy the peacefulness of the community. Yet you will also be able to see a portion of the Las Vegas Strip in the distance. Just a stone's throw away from the excitement our fine city has to offer.
